The screenshot displays the Shopify Admin dashboard. On the left is a dark sidebar with the Shopify logo at the top. Below the logo is a search bar and a list of navigation items: Home, Orders (with a blue badge showing '1'), Products, Customers, Reports, and Discounts. Under the 'SALES CHANNELS' section, there are 'Online Store' and 'Apps' (highlighted with a blue box). At the bottom of the sidebar is 'Settings'. The main content area is titled 'Apps' and features a blue arrow pointing from the instruction above to a 'View private apps' button in the top right corner. Below this, the 'Installed apps' section lists three apps: 'InstaShow - Instagram Feed App', 'MailChimp® Email Marketing: Abandoned Cart, Win-Back, & Post-Purchase Campaigns', and 'Product Reviews'. Each app entry includes a 'View details' link and a trash icon. At the bottom of the main area, there is a section titled 'Choose from 1000+ apps that can extend your store's features' with a 'Visit Shopify App Store' button and an illustration of a dessert stand.
