

¿Cómo integrar WooCommerce?

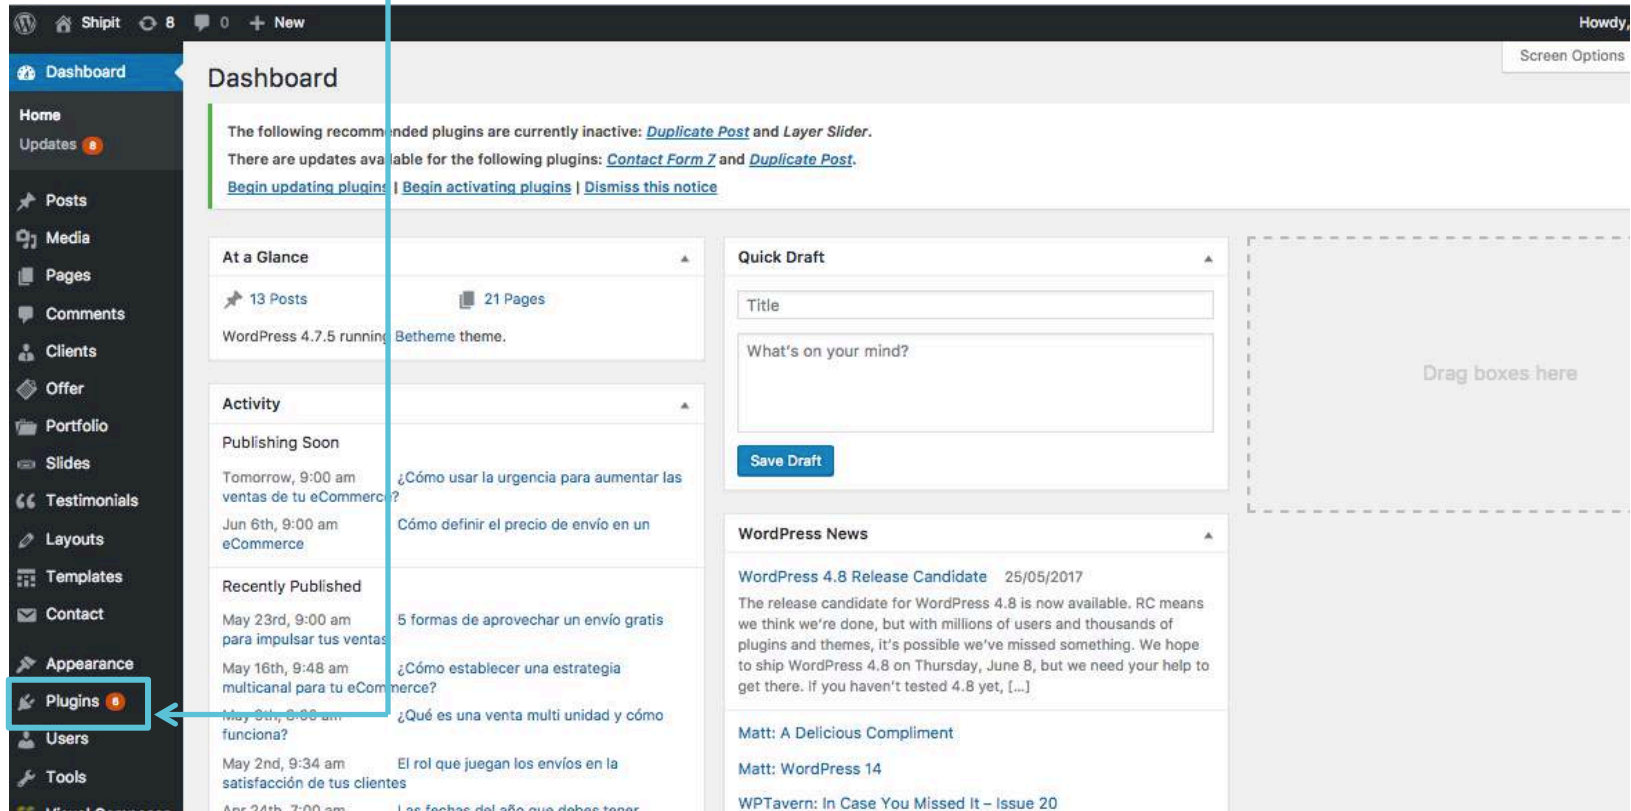

1.- DESCARGA EL SIGUIENTE PLUGIN.

[https://clientes.shipit.cl/integrations/
download_plugin?store=woocommerce](https://clientes.shipit.cl/integrations/download_plugin?store=woocommerce)

El archivo descargado se llama “bridge_connector.zip”
Está en formato .zip y no es necesario abrirlo.
Si recuerda dónde lo descargaste!

2.- . INGRESA AL PANEL DE ADMINISTRADOR DE WORDPRESS Y ANDA AL MENÚ “PLUGINS”>ADD NEW

3.- HAZ CLICK EN UPLOAD PLUGIN

LUEGO HAZ CLICK EN SELECCIONAR ARCHIVO Y SELECCIONA EL ARCHIVO QUE DESCARGAMOS BRIDGE_CONNECTOR.ZIP

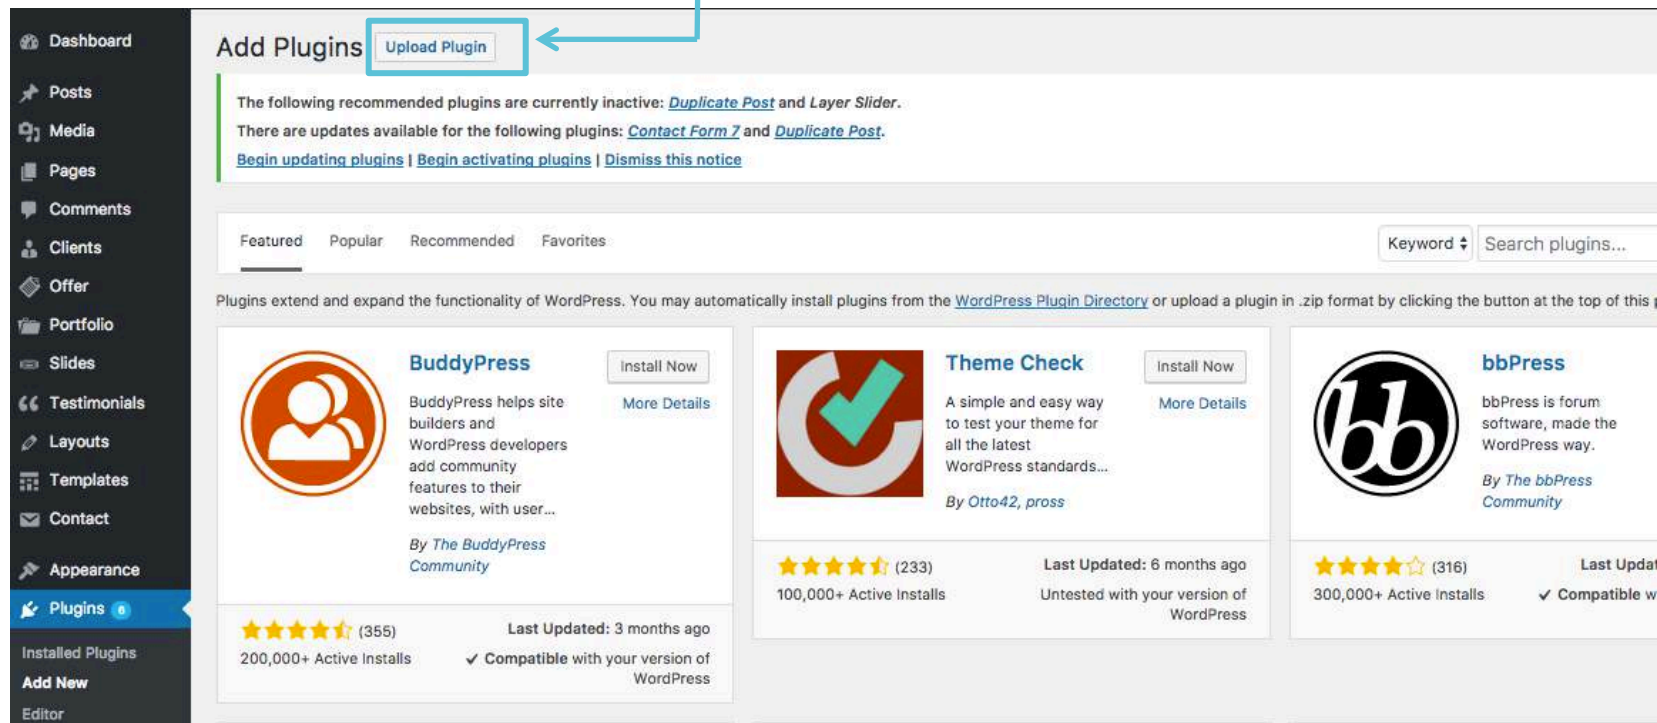

FINALMENTE HAZ CLICK EN INSTALL NOW

The screenshot shows the WordPress 'Add Plugins' interface. On the left is a dark sidebar with navigation links: Dashboard, Posts, Media, Pages, Comments, Clients, Offer, Portfolio, Slides, Testimonials, Layouts, Templates, Contact, Appearance, Plugins (6), Installed Plugins, Add New, and Editor. The main content area is titled 'Add Plugins' and features an 'Upload Plugin' button at the top, which is highlighted by a blue box and a blue arrow. Below this, a notice states: 'The following recommended plugins are currently inactive: [Duplicate Post](#) and [Layer Slider](#). There are updates available for the following plugins: [Contact Form 7](#) and [Duplicate Post](#). [Begin updating plugins](#) | [Begin activating plugins](#) | [Dismiss this notice](#)'. The main section displays three plugin cards: 'BuddyPress' (with an orange icon, 200,000+ active installs, last updated 3 months ago, and a compatibility check), 'Theme Check' (with a green checkmark icon, 100,000+ active installs, last updated 6 months ago, and a compatibility check), and 'bbPress' (with a black and white icon, 300,000+ active installs, last updated 6 months ago, and a compatibility check). Each card includes an 'Install Now' button and a 'More Details' link.

LUEGO HAZ CLICK EN SELECCIONAR ARCHIVO Y SELECCIONA EL ARCHIVO QUE DESCARGAMOS BRIDGE_CONNECTOR.ZIP

FINALMENTE HAZ CLICK EN INSTALL NOW

The screenshot shows the WordPress 'Add Plugins' interface. A blue arrow points from the text instructions to the 'Upload Plugin' button in the top header. The left sidebar contains a menu with 'Plugins' highlighted. The main content area shows a notice about inactive plugins and available updates. Below this, there are tabs for 'Featured', 'Popular', 'Recommended', and 'Favorites'. A search bar is present with the text 'Keyword Search plugins...'. The main content area displays three plugin cards: 'BuddyPress', 'Theme Check', and 'bbPress'. Each card includes a logo, a description, an 'Install Now' button, a 'More Details' link, a star rating, the number of active installs, and the last update date. The 'BuddyPress' card shows a 4.5-star rating (355 reviews), 200,000+ active installs, and was last updated 3 months ago. The 'Theme Check' card shows a 4.5-star rating (233 reviews), 100,000+ active installs, and was last updated 6 months ago. The 'bbPress' card shows a 4.5-star rating (316 reviews), 300,000+ active installs, and was last updated 6 months ago. The 'BuddyPress' card also indicates it is compatible with the current version of WordPress.

The screenshot displays the WordPress 'Plugins' management interface. On the left is a dark sidebar with navigation links: Dashboard, Posts, Media, Pages, Comments, Clients, Offer, Portfolio, Slides, Testimonials, Layouts, Templates, Contact, Appearance, and Plugins (highlighted in blue with a '6' badge). The main content area is titled 'Plugins' and includes an 'Add New' button. A notice at the top states: 'The following recommended plugins are currently inactive: Duplicate Post and Layer Slider. There are updates available for the following plugins: Contact Form 7 and Duplicate Post. Begin updating plugins | Begin activating plugins | Dismiss this notice'. Below the notice, there are filters for plugin status: All (18), Active (15), Inactive (3), Update Available (6), Must-Use (3), and Drop-ins (1). A search bar labeled 'Search installed plugins...' is on the right, with '18 items' listed below it. A 'Bulk Actions' dropdown menu is open, showing 'bridge_connector.zip' and 'Apply'. The 'Bridge Connector' plugin is selected, and its 'Settings' link is highlighted with a red box. A red arrow points from the 'Settings' link in the sidebar to the 'Settings' link in the plugin row. Below the Bridge Connector plugin, there is a notice for 'Contact Form 7' stating: 'There is a new version of Contact Form 7 available. View version 4.7 details or update now.' The 'Contact Form 7 - Infusionsoft Add-on' plugin is also listed below.

Plugin	Description
<input type="checkbox"/> Bridge Connector Deactivate Edit Settings Version 1.0.0	Bridge Connector
<input type="checkbox"/> Contact Form 7 Settings Deactivate Edit Version 4.6 By Takayuki Miyoshi View details	Just another contact form plugin. Simple but flexible.
There is a new version of Contact Form 7 available. View version 4.7 details or update now.	
<input type="checkbox"/> Contact Form 7 - Infusionsoft Add-on Deactivate Edit Version 1.2.2 By Ryan Nevius View details	An add-on for Contact Form 7 that provides a way to capture leads, tag customers, and send contact form data to InfusionSoft.

6.- HAZ CLICK EN CONNECT

The screenshot shows a WordPress dashboard with a dark sidebar on the left containing menu items: Dashboard, Posts, Media, Pages, Comments, Clients, Offer, Portfolio, Slides, Testimonials, Layouts, and Templates. The main content area has a light blue header with a notice about inactive plugins ([Duplicate Post](#) and [Layer Slider](#)) and updates for [Contact Form 7](#) and [Duplicate Post](#). Below this is a white box with the text: "The connector will be installed automatically. Just click the button below and have the connection between your WooCommerce store and the system needed established." At the bottom of this box is a blue button labeled "CONNECT". A blue arrow originates from the title "6.- HAZ CLICK EN CONNECT" and points directly to the "CONNECT" button.

7.- SE HA GENERADO TU STORE KEY

The screenshot shows a WordPress dashboard with a dark sidebar on the left containing menu items: Dashboard, Posts, Media, Pages, Comments, Clients, Offer, Portfolio, Slides, Testimonials, Layouts, Templates, and Contact. The main content area has a white background. At the top, a green-bordered box contains a notice about inactive plugins ([Duplicate Post](#) and [Layer Slider](#)) and updates available for [Contact Form 7](#) and [Duplicate Post](#), with links to [Begin updating plugins](#), [Begin activating plugins](#), and [Dismiss this notice](#). Below this, a white box with a grey border displays a confirmation message: "Congratulations! The plugin is installed!". It includes a "Please note" section explaining that store data interaction requires integration with the service. Below the note, it displays "YOUR STORE KEY: db67bac352d3ef1a6e55d9f31724baef" and an "UPDATE STORE KEY" button. A large "DISCONNECT" button is centered below the key. A blue arrow points from the title "7.- SE HA GENERADO TU STORE KEY" to the "YOUR STORE KEY" text.

The following recommended plugins are currently inactive: [Duplicate Post](#) and [Layer Slider](#).

There are updates available for the following plugins: [Contact Form 7](#) and [Duplicate Post](#).

[Begin updating plugins](#) | [Begin activating plugins](#) | [Dismiss this notice](#)

Congratulations! The plugin is installed!

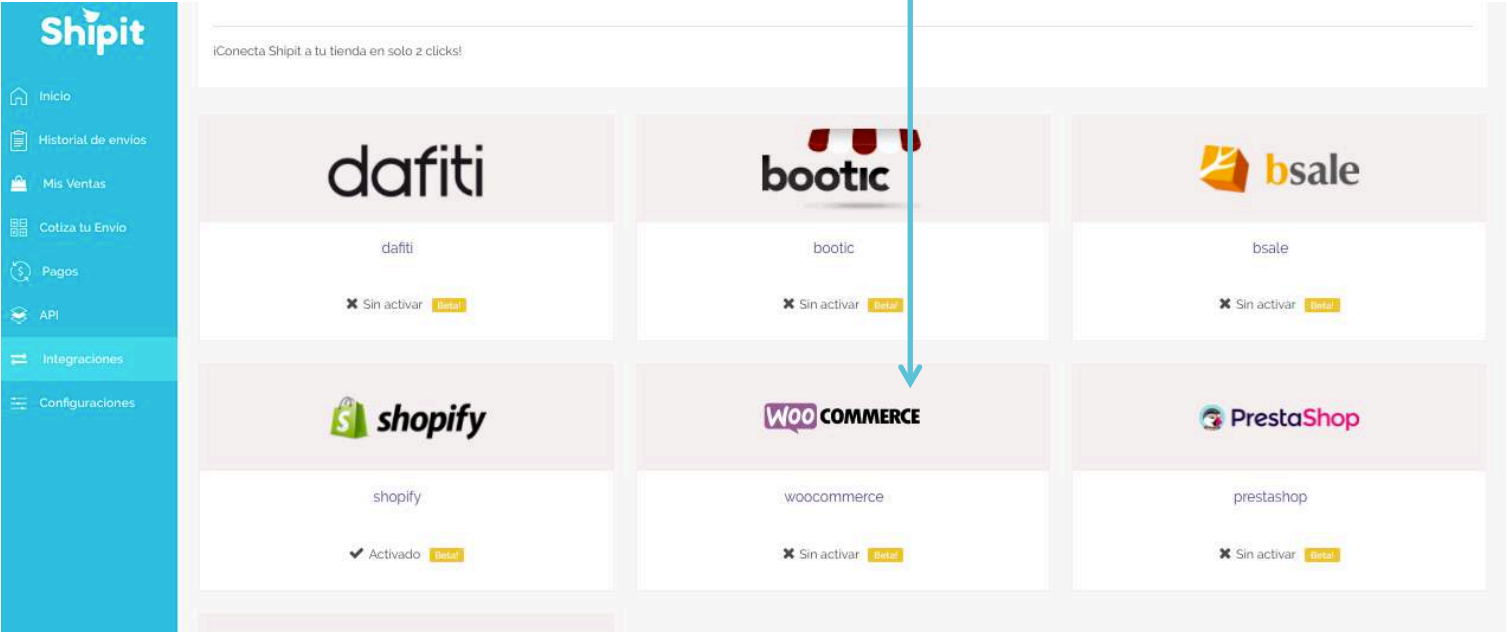

Please note. Store data interaction works if you are integrated with the service only. It enables to retrieve, synchronize, and manipulate various information on products, categories, customers, and orders from the stores added to the store directory. For more information, schedule a call with our representative and have it all explained to you.

YOUR STORE KEY: db67bac352d3ef1a6e55d9f31724baef [UPDATE STORE KEY](#)
